

Canyon County Western Route (CCWR) Corridor Study

Purpose of Study:

- Identify preferred alignment for an interim arterial and future expressway
- Establish access management policy for corridor

Need for Study:

- Logical continuation of Kuna-Mora/Bowmont Road corridor
- Develop two-lane or three-lane north-south arterial route in central Canyon County (2030)
- Interstate 84 alternate or beltway (long-term, 2050+)
- Protect corridor from future development
